in constantinoseraclides

An enthusiastic individual recently finished from my postgraduate studies. In possession of robust quantitative, problem-solving, analytical and critical thinking skills, that aims to consolidate and expand upon through real world challenges.

Education

2020-2021 — **M.Sc. Applied Statistics and Datamining (Merit)** — Fife, Scotland
University of St Andrews
- ➤ Dissertation topic: Bayesian model/variable Selection, within the Bayesian framework.
- ➤ Worked on imbalanced classification with a real high-dimensional dataset where it was sparse on its true effects.

2017-2020 — **B.Sc. Mathematics (2:1)** — Nottingham, England
University of Nottingham
- ➤ Final Year Modules: Scientific Computations and Numerical Analysis, Optimization, Stochastic Modelling, Statistical Inference, Applied Statistical Modelling, Multivariate Analysis

2009-2016 — **Secondary School (Apolytirion, 88.89%)** — Nicosia, Cyprus
The GC School of Careers
- ➤ A-levels: Mathematics (A*), Further Mathematics (A), Greek (B)

Professional Expirience

07/2019 — **Internship** — Nicosia, Cyprus
Cronje & Yiannas Acctuaries and Consultants LTD
- ➤ Learned how a professional actuarial environment operates.
- ➤ Worked in teams to complete various tasks approinted by our supervisor.
- ➤ Enhanced my attention to detail, teamwork and professional accountability skills

07/2016-09/2017 — **Special Forces** — Nicosia, Cyprus
Cyprus National Guard
- ➤ Completing my mandatory army service that necessitated working with a group towards a common goal, which required camaraderie with my fellow soldiers.
- ➤ Went through exhaustive training, which pushed my tolerance boundaries beyond what I thought where my limits.

12/2015-01/2016 — **Shop Assistant and Deliveries** — Limasol, Cyprus
SPECTUS Wines & Spirits Merchants
- ➤ I was in charge for the preparation of large orders and their delivery during Christmas season where there is an increase in demand for wine and spirits.
- ➤ Earned customer service skills and punctuality.

06/2013-09/2013 — **Logistics Department** — Nicosia, Cyprus
Hellenic Distribution Agency LTD
- ➤ Preparation of delivery notes to customers based on available sales data while optimizing delivery routes of van drivers.

Additional Skills

- ➤ Languages: Greek(Native Language), English(Proficient)
- ➤ Programming Skills: R/Python/MATLAB
- ➤ Computer Skills: ECDL qualification (Skillfull in Excel & Word)
- ➤ Teaching Skills: During my final year at the GC School of Careers I tutored on a weekly basis a fellow student with his A-level Mathematics
